### WELCOME TO THE 92ND BEMROSE TROPHY TRIAL

Welcome to the 2023 Bemrose. It's amazing how quickly the years pass isn't it?

Firstly, an apology, as you will have noticed we have had to make a substantial increase in our entry fee this year. To explain all the reasons behind this would take up more space than we have here, but there are 2 principal reasons: 1, the increase in costs being passed down by the ACU and 2, the fact that the club is significantly in debt, partly due to Covid. Hopefully once the club is on a better financial footing we will be able to reduce future entry fees.

We achieved a full entry of 160 riders within 24 hours of opening the entries so hopefully we are doing something right. As usual we have a large and varied route for your enjoyment. Please note that some areas of the route are different this year so it's important to follow the route markings, not your memory of previous years. Also, some sections are in different locations within some groups, notably in the first group at Wrights.

One major change this year is the replacement of the 50/50 Route option with 3 separate routes, Expert (Red), Intermediate (Green) and Easy. All riders should follow the Red/Blue Expert Route until they see either Green Flags each side for the Inter Route or Yellow/White Flags for the Easy Route deviations.

Remember that the whole trial is in the Peak District National Park. Please respect other users, especially horse riders and strictly obey the instructions in the Washgates area.

As in previous years you will need two cans of fuel. Put one in the fuel trailer and one by your van at the Start Area. **You must top up when passing back through the Start Area after doing the second group of sections.** The fuel trailer will be leaving at 10.30, if you miss it you will need to make your own arrangements for re-fueling, **or you WILL run out.**

Please remember no dogs are allowed at Etches and must be on a lead elsewhere. Remember to close all gates and have a great day.

*Kev Stannard, Secretary of the Meeting*

## WASHGATES - IMPORTANT

As many of you will know, the Washgates track has a Traffic Regulation Order (TRO) in force on it: the Bemrose has special exemption to use it today from the Peak District National Park Authority. That exemption is subject to certain conditions that must be followed or we will potentially lose that permission for the future, permission which was hard fought for. The conditions relate to potential threats to the environment (*There shall be no discharge of oil or petrol or refuelling*) and to biodiversity (*Bikes, boots and riding gear shall be clean of mud and debris*). So please be careful, especially there! <https://www.nonnativespecies.org/what-can-i-do/check-clean-dry/> OBEY THE SIGNS AND FOLLOW ANY INSTRUCTIONS YOU ARE GIVEN BY THE MARSHALL.

### FINAL INSTRUCTIONS

**ALL RIDERS MUST SIGN ON AT THE START AND SIGN OFF AT THE END OF THE TRIAL**

Refreshments will be available at the Start / Finish Area

### ROUTE

Haslin Farm, Nr. High Edge Raceway, Buxton, Derbyshire. SK17 ORR

w3w: fittingly.transmitted.seemingly OS Grid Ref:SK 066 692

The start/finish area will be at Haslin Farm. Riders will start in numerical order pairs at one-minute intervals from 9:00am. Time penalties as NSC. No refuelling anywhere on the course.

**The overall route length is approximately 30 miles and the time limit is 6 hours.** All competitors must hand back their riding number at the finish.

### SCORING

This is a **STOP ALLOWED** trial as defined in TSR22A. Marks will be lost as follows:

- |  |   |                 |                           |
|--|---|-----------------|---------------------------|
| 0 Clean  | 1 Footing once  | 2 Footing twice | 3 Footing more than twice |
| 5 Failure  | 5 When requested by a rider rather than attempt the section |                 |                           |
| 10 Not attempting a section when called upon by an official (in addition to any marks subsequently lost in that section) | 10 For missing a section                                    |                 |                           |

### SECTION MARKING

All riders should follow the Red/Blue Expert Route until they see either Green Flags each side for the Inter Route or Yellow/White Flags for the Easy Route deviations.

All riders will wear numbered bibs that must be returned after signing off.

### ACCESS AND OTHER USERS

This event is routed along or across public rights of way. Competitors must exercise caution and reduce speed accordingly near other path users. Be especially careful near horses. Obey all signs & close all gates. **SLOW DOWN, STOP AND SWITCH OFF YOUR ENGINE, IF NECESSARY**

Please do not re-visit sections after the trial. Access is allowed for the event only and visits by unauthorised riders can seriously endanger the prospects of using these areas in future, especially in the Peak District National Park.

### LAMBING

As some of you will already know, this time of year is lambing time. Whether the ewes are still pregnant or have already had their lambs, this period is incredibly important for the farmers whose land we use for the Bemrose and other Trials. That's why **dogs have been prohibited from some sections and must be on a lead everywhere else.** Please don't let it be your dog that causes a problem!
